DESCRIPTION

Prestigious penthouse with large terrace in the heart of Genoa

In the heart of Genoa's historic center, within a prestigious 16th-century aristocratic palace, lies an unparalleled property, capable of combining the charm of history with luxury and modern comfort. This building, built by one of the most influential Genoese families of the time, has retained its exclusive character over time thanks to skillful renovations that have enhanced its elegance and uniqueness. Inside this historic mansion, we find an attic with superattic that is developed on three levels, for a total of 300 square meters of refined beauty. The entrance of the building is majestic, characterized by a suggesting loggia and a cloister that tell centuries of history and make the access to this residence a unique experience. An exclusive architecture on

three levels. At the first level, the large square footage welcomes a very bright triple open space living room, where the contemporary style blends harmoniously with the historical atmosphere of the building. The modern open kitchen completes this environment, perfect for receiving guests and living everyday life with class. Next, we find three large double bedrooms, two bathrooms and a service bathroom. Going up to the second level, an elegant open space offers an ideal space for a study or a relaxation area, with open spaces that enhance the brightness and the views of the city. The third and last level is entirely dedicated to wellness and leisure, with a large panoramic living area that opens directly onto a spectacular terrace of 220 square meters...
